SOLUTION

1. The only person that can be in the Restroom is Fabian.
2. Adeline must be in the Restroom with Fabian.
3. This sets B in the 1st row, and H in the 3rd row.
4. D can only be in the 7th row, on a chair.
5. Every other chair cannot be occupied.
6. This isolates A, which then isolates E, then H.
7. C can be placed, then G, then B, then D.
8. There is only one cell left for V, in the Master Bedroom.
